Re: CODE UPDATE – Ordinance No. 2005-011

On June 15, 2005 the Village Board of Trustees adopted Ordinance #2005-012 amending the Code of Ordinances of the Village of Orland Hills. Included in this Ordinance is the adoption of the following codes:

- 2003 International Residential Code
- 2005 National Electrical Code
- 2003 International Mechanical Code
- 2003 International Fire Code
- 2004 Illinois Plumbing Code
- 2003 International Conservation Energy Code
- 2003 International Property Maintenance Code
- 2003 International Existing Building Code
- 1997 Illinois Accessibility Code & ADA

The above Building Codes will take effect on all permits submitted starting on June 15, 2005. This should be ample time for your staff to make adjustments. We will work with you and your employees to make this a smooth transition. A copy of this ordinance will be made available to you upon request.

Feel free to call me if you have any questions.

Sincerely,

Joseph D. Ennesser
Building Commissioner
