

Village of Orland Hills

Affidavit for Structures Installed In Utility and/or Drainage Easements.

Printed From Website

I (We), hereby, acknowledge and agree that the *Sprinkler System, Deck, Shed, Fence and/or other structures* to be installed, hereafter referred to as "encroachment", is in part or in whole located in a Public Utility and/or drainage Easement.

Said easement provides that the:

- Village of Orland Hills,
- Ameritech, SBC, MCI, AT&T,
- Commonwealth Edison, ComEd, Exelon,
- NI Gas, Nicor,
- AT & T Cable, Comcast, WOW,
- Illinois American Water, CHICAP Pipe Line Co.,
- and other authorized utility companies

has (have) the right to require the removal and replacement of the encroachment at the property owner's expense, if the need arises, to service, repair or replace their facilities in the Utility and/or Drainage Easement.

For these reasons and other unnamed potential hazards that could arise out of the installation of the encroachment, I (We) agree to hold harmless the Village of Orland Hills for any damage caused by its facilities to the encroachment or other structures. Furthermore, I (We), the owner (s) assume full responsibility for all costs related to repair, removal or replacement of the encroachment or any other to those structures.
