O'Neill updated the committee on Circle K's continued closure for gas sales. It's re-opening will largely depend upon the State Fire Marshall signing off on their inspections after the installation of new underground tanks.

O'Neill updated the committee on Petsmart's repair of a fire sprinkler water line. Orland Fire has been out there and signed off on the repair.

Some folks are still inquiring about developing the property west of Lagrange on 167th St, but nothing beyond that at this time.
